Grounds Maintenance Worker

The Town of Valdeese (approximate population 4,867) is located in the foothills of the Blue Ridge Mountains of Western North Carolina, 70 miles west of Charlotte, where the "foothills meet the mountains". Founded in 1893 by twenty-nine Waldensian settlers from the Cottian Alps of Italy, we have a deep respect for our unique heritage which we celebrate annually with special events and festivals. We have a thriving downtown featuring specialty restaurants, shops and historic attractions. The Town provides a full range of municipal services.

Employee in this class performs a variety of responsible duties, building and grounds maintenance and related activities in support of public works operations. Duties include working grounds maintenance using power or deck mowers to mow Town-owned properties, maintaining flower beds, applying pesticides and herbicides, trimming shrubbery, etc.; assisting crew leader with facilities maintenance changing light bulbs, sanding and sealing doors, painting, and related maintenance tasks. Duties also include providing assistance to other divisions and departments such as installing and removing Christmas lights, providing traffic control for construction and installing and removing the swimming pool dome. Work involves the use of a variety of tools and light equipment. The employees are subject to working in both inside and outside environments, in extreme hot and cold weather, and exposure to various hazards such as loud noises, vibration, moving mechanical parts, chemicals, fumes, and oils. Work may subject the employee to exposure to blood borne pathogens and is subject to the final OSHA standards. Work is performed under regular supervision and is evaluated through observation and inspection to determine the thoroughness in safely carrying out assigned duties.
